

Black Belt Exam

Must complete all 3 phases of the exam

1. Pre-Exam To qualify for pre-exam you must satisfy the following criteria:

- A.) Successfully completed the "flip' exam or previous black belt exam.
- B.) Have the potential to complete the minimum number of required karate classes and sparring classes by belt exam date. On average you must attend 2.5 regular karate classes per week and at least 1 sparring class per week.
- C.) Have met the minimum fitness requirements during TIP test.(Run, pushups, situps, pullups, etc...)
- D.) Be able to break the required boards with each of the 6 required methods. (palm strike, front kick, inward elbow, side kick, hammerfist, spin back kick)
- E.) Be able to kick the hand target the minimum distance of 25 ft.

Pre exam may consist of any of the following:

2 mile Run, pushups, situps, pullups, bag kick, board breaking, sparring, etc...

2.Exam Day

To qualify for exam day you must have successfully passed the pre-exam. Students will be notified prior to exam day if they did not pass pre-exam.

Exam day may consist of any of the following:

Basics, bag work, weapons, kata, self-defense and sparring. You must have a 2.0 average to pass the exam.

3. Graduation

To receive your belt on graduation you must successfully pass the exam.

Graduation is our "Black Belt Spectacular". This is a time to showcase your martial arts talents. Candidates will perform various activities on the graduation including kata, techniques, team demonstration and more. Other performances will include KenpoXT team, SWAT team, instructors and more. You don't want to miss this. Black Belt Graduation is open for all to see. Invite everyone.

Fitness Requirements

	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Degree

10 Pull Ups	5 Attempts	4 Attempts	4 Attempts	3 Attempts	3 Attempts	2 Attempts
Board Breaking	6 Different Breaks of Re-breakable Boards. Palm strike, Inward Elbow, Hammer fist, Front Kick, Side Kick, Spin Back Kick					1 Brick per Degree
40 Sit Ups	1 Minute					
15 Push Ups	1 Attempt. Body must remain straight, hands inline with shoulders, no knees touching the ground.					
Roundhouse bag kick	Your score will be based on the distance of the kick. Minimum distance 25 foot.					
Basics	All stances, blocks, punches, kicks, strikes, etc...					
Sparring	Tournaments style point sparring.					
Self Defense	Be prepared to defend against random attacks chosen by the instructor.					

Breaking Requirements

Board/Brick breaking -

-Students testing for 1st Grade Black belt. You will be tested on the 6 advanced belt breaks.

If all boards broken then your score will be a 2.0, Subtract .10 for each board not broken.

-Students testing for 2nd-5th Grade Black belt. You must choose one hand technique and one foot technique. If both boards broken then your score will be a 2.0, Subtract .30 for each board not broken.

-Students testing for A 1st level of a Degree will break 1 brick for each degree. If you break your bricks then your score will be a 2.0, otherwise score will be 0.0.

1st Degree 1st level=1 brick

2nd Degree 1st level=2 bricks

3rd Degree 1st level=3 bricks, etc...

-Students testing for a 2nd-5th Level of a Degree Black belt. You must choose one hand technique and one foot technique. If both boards broken then your score will be a 2.0, Subtract .30 for each board not broken.

Attendance Requirements

Students planning to exam will find the minimum number of training classes and sparring classes on the Cycle list sheet found at www.mydojos.info.

Students not planning to test must maintain a minimum of 25 training classes and 20 sparring classes to qualify for the following exam.

Any Black Belt that doesn't make the minimum 25 classes and 20 sparring classes (including degrees) during a Cycle will have their test date automatically moved to the next test date after the one they are scheduled for.

Thesis Kata

Students testing to degrees of black belt must complete a thesis kata. This kata must be of your own creation and must be accompanied with a written thesis explaining the concepts or theories behind the movements.

Black Belts testing to 1st Degree- Topic=Empty hand kata.

Black Belts testing to 2nd Degree- Topic=Weapon kata.

Black Belts testing to 3rd Degree- Topic=Multiple Attacker kata.

Jr. Level Black Belt

Students must be 16 years of age to test to 2nd degree. Any students ranked 1st degree black belt under the age of 16 will test for Jr. Levels.
